Athletic Booster Club

Message from PFABC President

Shout out to our PFHS Booster Club Student Advisory Council! The young men and women representing our student athletes have been instrumental in advancing multiple initiatives. First, we have developed tools and collateral to be deployed for our recruiting center to assist PFHS athletes navigate the college recruiting process. In a short time, the center will be publicized for all current and prospective PFHS student athletes to consume. Second, the Student Advisory Council and Mr. Leap were instrumental to the incorporation of a strength training course now available to the Junior and Senior classes within the physical education program. It is the goal of the Boosters and Student Advisory Council to make the argument in front of administration for future incorporation of elective courses within physical education for all members of the student body. More to come.

PFABC Fundraising

It's not too late to advertise your business with a banner on the Potomac Falls Stadium. Banners are placed on the outside stadium fence during Fall and Spring Sports seasons. There are still prime viewing spots on the fence for sale! Be part of the "Fill the Fence" Sponsorship Program - 50% of the proceeds goes to the sports team of your choice. Your sponsorship dollars help fund improvements to the sports facilities, supplies direct funding to sports teams, and funds scholarships for our athletes and managers. Website banners are also still available for purchase.

Contact Nancy Tessman at nancy.tessman@verizon.net for details and pricing.
