

From the President

On September 9th, we had a ribbon cutting ceremony to officially open our turf field. The Boosters hosted key contributors and supporters in the community who made a difference in our push for a new field. We thank everyone in the community who supported us and spoke to the Board or signed our petition. We are happy to have a field that can be used by all in the community.

In conjunction with the Athletic Department, additional enhancements are taking place around the school this year, including signage in the Athletic hallways by the gym and updates to sports fields, including a new scoreboard on the main field provided by the Athletic Department.

There are still prime viewing spots on the fence for sale! Be part of the "Fill the Fence" Sponsorship Program - **50% of the proceeds goes to the sports team of your choice.** Your sponsorship dollars help fund improvements to the sports facilities, supplies direct funding to sports teams, and funds scholarships for our athletes and managers.
